

Color a Bottle Seal!

Glass was expensive in the 17th and 18th centuries so bottles were often reused. Wealthy people or business owners sometimes had their bottles labeled with personal seals. Seals were glass discs stamped with names, initials, crests, or other symbols. The seal on this bottle found at Jamestown says "FN." It likely belonged to Francis Nicholson who was the governor of Virginia from 1698 to 1705.

Once you have finished coloring your artifact, have an adult show you what it looks like in real life by visiting: <https://historicjamestowne.org/jr-kids-at-home> #ColorOurCollections #JRKids
